SOPHOMORES WIN ANNUAL FIELD DAY

Class of 1923 Wins 94 Points, and 1924 is Close Second With 93 Points.

NEW GOLF DRIVING EVENT

The annual Autumn Field Day, held last Thursday, was the most successful in years. Over two hundred men participated in the various events. The Sophomore Class carried off the honors of the day with ninety-four points. The Freshmen were a close second with ninety-three. The Juniors amassed a total of eighty-one, and the Seniors fifty-four.

Doane, '23, won the two-mile cross-country run in 10:47 1-5. Only Sophomores and Freshmen were entered in this event, 1923 getting thirty-one points to twenty-six for 1924. Doane was also the winner of two other track events, the 220 low hurdles and the half-mile. He made the former event in 22 2-5, and the latter in 2:20. King, '21, crossed the line first in the hundred yards dash. His time was 10 3-5 seconds. The 120 high hurdles went to Pope, '22, with a time of 27 seconds. Alison, '24, showed exceptionally good form in the quarter-mile, leading the field by a wide margin and crossing the line in 59 3-5. In the next event, the 220-yard dash, King, '21, took first place by covering the distance in 23 seconds. At the completion of the track events, 1922 led with forty-six points.

The soccer games attracted more interest than anything else during the afternoon. All the games were well played and hard fought. The Freshman Class gained thirty-seven and a half points in these games, while the Juniors annexed thirty.

A new event was added to the field day list in the form of long-distance golf driving. Each man was allowed three drives and the average length of the drives recorded. North, '23, averaged two hundred and thirty-five yards, thus winning the event.

In the tennis matches, the Seniors were superior. They gained twenty-five points, the Sophomores being second with twenty. All the matches were "doubles" and two out of three sets decided a match. Each class had a first and a second team as follows: lows:

First team 1921: Coupe and Paton.
Second team 1921: Barron and Fry.
First team 1922: Getman and Bixler.
Second team 1922: Conger and Keane.
First team 1923: Acebron and Thompson.
Second team 1923: Fitzgerald and Langtry.
First team 1924: Ogilvie and Bryan.
Second team 1924: Flagg and Lang.

GEOLOGY CLASS TAKES TRIP

About 22 students of Doctor Dale's geology class made an interesting two-day trip into northern New York early last week to examine rock formations and secure specimens. The party left here by motor, reaching Carthage the same night. The next day the men visited Natural Bridge and the Basic Refractory Plant, where they secured a large mass of calcite crystal, also making a tour of the plant's quarry. After a short stop at the zinc mines at Edwards, the largest of their kind in the country, the party returned home Wednesday night. The trip was a thoroughly interesting and instructive one.

SITE DECIDED FOR NEW ATHLETIC BUILDING

Baggs & Newkirk of Utica Are Architects—Contract Let for Grading.

Baggs and Newkirk of Utica, architects for the new hockey rink, were on the Hill Friday afternoon in consultation with President Ferry and Coach Prettyman. The site has been decided upon and staked out. The contract for grading the plot has been issued.

Undergraduates who were here last spring will remember that the plans for the enclosed hockey rink and running track were approved by the Trustees at their annual June meeting. On account of the exorbitant cost of building materials, the actual construction of the building will be postponed. As the dimensions of the old rink are so small, the floor of the new one will be laid out and used by the team this winter.

The new rink will be 85 by 170 feet. The original plan was to build it following the southeast stretch of the track, with a grandstand for it against the back wall of the building, but in order to preserve the harmony in which the buildings of the campus are laid out, the plan has been changed and the rink will extend east and west. The structure will cut off a part of the old grandstand and extend out into the middle of what is now the frog pond. When the grading is completed the rink will be five feet deep at the eastern end and level with the surface of the frog pond at the other. The building and track will extend 45 feet into the present baseball diamond, necessitating a change of the diamond to a more favorable location.

The building will be one of the finest of its kind in this country, and will offer the best possible advantages for hockey. Coach Prettyman plans to have a structure built alongside the rink this year that will serve as a dressing room and shelter to prevent the freezing of the flooding pipes.

HAMILTON'S FOOTBALL TEAM DEFEATS R. P. I. ELEVEN

Buff and Blue Wins 13-7 Victory from Troy Visitors—Rain Makes Passing Difficult—Hamilton Men Better Than Opponents in Line Plunging—Seaver and Clark Make Touchdowns.

On a wet field and with a slippery ball which seriously crippled the passing Hamilton won from R. P. I. Saturday afternoon by a score of 13 to 7. The rain, which lasted throughout the major part of the game, made the passing exceedingly difficult. In line plunging the Hamilton team was better than the Troy team and usually made good gains. Lawler and Clark starred for Hamilton, and Eller and Staunton for R. P. I.

First Quarter

At the kick-off R. P. I. received on the twenty-five yard line. After two gains through the line, and a loss of twelve yards, R. P. I. punted out of bounds. The ball went to the center of the field in Hamilton's possession. Hamilton made only nine and a half yards on downs, and the ball went to R. P. I. After two incomplete passes, R. P. I. kicked behind Hamilton's goal. The ball was put in play on the twenty yard line, and Lawler went around left end for fifteen yards. Then followed a fumble, which was recovered by R. P. I. After an incomplete pass, Hamilton was penalized ten yards, and then five yards more. Two small gains were followed by another incomplete pass. Three Hamilton men then spoiled an attempt at a place kick, pushing R. P. I. back fifteen yards. R. P. I. suffered a fifteen yard penalty, and the ball went to Hamilton on downs. An incomplete pass was followed by a gain of four yards around left end. After another failure to complete a pass, Lawler kicked to R. P. I.'s twenty yard line. An attempt at an end run netted no gain, but after Hamilton had been penalized five yards, R. P. I. completed a twenty-yard pass. The next play was fumbled and May tackled for a five yard loss. The quarter ended with the ball in R. P. I.'s possession on her thirty-five yard line.

Second Quarter

In the first play of the second quarter R. P. I. fumbled, but recovered the ball. R. P. I. was then penalized five yards for pushing the ball ahead. Lawler blocked a kick. Two plunges netted but a few yards, R. P. I. kicked, and the ball went out of bounds at Hamilton's forty yard line. A five yard loss was followed by a pass which netted nineteen yards. Four incomplete passes gave the ball to R. P. I. on downs, on Hamilton's forty-six yard line. R. P. I. made a run of fifteen yards around right end, and then dropped the ball. Hamilton recovered it and play started on Hamilton's thirty-three yard line. Lawler kicked, sending the play down to the opposite thirty-three yard line. On the fourth down, with four yards to go, R. P. I. kicked, leaving the ball in Hamilton's possession on her own twenty-three yard line. Hamilton tried a pass, and then kicked. R. P. I. ran the ball back from their own thirty-three yard line. After one in-forty-five yard line. After one incomplete pass, Seaver intercepted a pass on the forty-five yard line and ran fifty-five yards for a touchdown. During the play, time was called for the half. Campbell failed to kick the goal.

Third Quarter

At the beginning of the second half Clark took the ball on the ten yard line and ran it back to the thirty-five. R. P. I. got the ball on a fumble. After two plays which gained two yards, R. P. I. kicked, and Hamilton received on her own five yard line. On the next play Fowler at center passed high, and Lawler dropped the ball. He made an attempt to recover, but Staunton got there first, making a touchdown. Eller kicked the goal.

On the kick-off Lawler caught the ball on his own ten yard line and ran it back to his opponents' forty-five. After two short gains the Troy men intercepted a pass on their own forty-two yard line. They lost two yards on an attempt around end, but made three through the line. R. P. I. kicked, and Campbell ran the ball back to the fifteen yard line. Lawler kicked out of danger. On the next play Eller ran the ball up four yards to his thirty-four yard line, and on a pass got it up to the forty-two. Nine yards through the line was followed by a loss of eight yards. On the kick which followed Campbell took the ball up fifteen yards to the twenty-five yard line. Two line bucks gained three yards, and then Lawler kicked to the opposite thirty-two yard line. A ten yard pass was the last play of the quarter.

Fourth Quarter

Play started in the last quarter with the ball in R. P. I.'s possession on its thirty-seven yard line. A buck, an incomplete pass, and a kick which went out of bounds netted ten yards, and left the ball with the Buff and Blue. Campbell started around right end, but slipped and fell, losing five yards. The next play, a pass of twenty yards from Warren to Lawler, made up for this loss. First down was made again by two straight line bucks. After two more short bucks,

—W. E. Peck, '13, is studying at Exeter College, Oxford University. In a letter to one of his friends at Hamilton he spoke of meeting another Hamilton man in England. His own words can best describe the coincidence: "Only a fortnight ago an American came to our cottage in Iffley, looking for rooms for himself and his family, and announced to my wife that his name was Goodenough. I was in town at the time of his call, but when Mrs. Peck told me of his call, and when I heard the name 'Goodenough', I said, 'I only know one man in the States by that name; and I somehow think this may be he.' So convinced was I of this that I went to 140 Walton street immediately after suuper and found that I was correct. It was Erwin R. Goodenough, Hamilton '15, pianist of the Musical Clubs when I led them, away back in the mediaeval ages—1913. Thus do Hamilton men hold together, though they be at the ends of the earth."

Get Union

The Buff and Blue football team will meet its traditional enemy, Union, at Schenectady, November 20. The game is several weeks away, and other important games will be played before then, but it is time to begin planning. Let every man attend cheer practice. Cheer the team with all your might and make the football men realize that you are helping them to prepare for November 20, when Hamilton goes to Schenectady to GET UNION!

Athletic Insignia

Elsewhere in this issue are printed several sections from the Constitution of the General Association for Undergraduate Activities, as adopted by the students last year. These sections which are reprinted, concerning the various athletic insignia and the qualifications for wearing the same, have been much disregarded of late.

It is not just to the athletic teams if undergraduates who are not qualified to do so wear any of the College's athletic insignia. Unauthorized numerals are as fraudulent and as much of an offense against good morals as a forged check. The Constitution states that insignia must only be worn by men qualified to do so, who possess a signed certificate proving that qualification.

This rule applies to jewelry also. No "H" of any kind should be worn unless by a qualified athlete. In the judgment of Coach Prettyman, watch-fob "H's" should be as taboo as the Iron Cross. Scarf pins, watch charms, etc., should not bear the "H" unless the wearer has the right to wear the "H" on his jersey.

Every undergraduate should help see to it that the rules of the Constitution are enforced.

The New Golf Course

The three alumni who have so generously supplied funds with which to enlarge the three-hole golf course into a nine-hole course, deserve the thanks of the College. Although golf is not primarily a game for young men, it is one which appeals to every man and which is the most valuable sport to the business man who has passed the prime of life. A knowledge of the game can never come amiss. The members of the Faculty and a large number of students enjoyed the links last year, and **Life** extends its thanks to the alumni who have made possible the enlargement of the course.

OCCIDENTAL CLUB FORMED

New Organization Aims to Bring More Western Men to Hamilton College.

The first meeting of the newly-formed Occidental Club of Hamilton College was held at Sigma Phi Place Monday night, October 11. This meeting was devoted to the election of officers and the completion of the work of organization.

Wilbur Brandt, '23, presided as temporary chairman. The officers elected are as follows: President, Henry Severin, '22, and secretary-treasurer, William Baer, '24. Henry Severin and Thomas B. Pope, '22, were appointed to draw up the constitution of the club.

Other clubs of this kind have been formed here at Hamilton, but many have not stood the test of time because they had no definite purpose. This club has a definite purpose. It has been formed for the purpose of adding more western men to the small number now representing the West in Hamilton College. Seven western states are now represented in the club. The present members and their homes are:

Grant Keehn, '21, Kenilworth, Ill.; Henry Severin, '22, Indianapolis, Ind.; Arthur Tower, '21, Kansas City, Mo.; Robert Turner, '22, Seattle, Washington; Thomas Pope, '22, Glencoe, Ill.; Wilbur Brandt, '23, Oak Park, Ill.; Richard Fowler, '23, Dayton, Ohio; Theodore Severin, '24, Indianapolis, Ind.; John Willard, '23, Minneapolis, Minn.; Hugh Wilson, '24, Nebraska City, Neb.; Frank North, '23, Rockford, Ill.; Potter Duff, '24, Austin, Ill.; William Baer, '24, Peoria, Ill.; Donald Jones, '24, Glencoe, Ill.; John Holley, '24, La Crosse, Wis.

The next meeting of the Occidental Club will be held at the Alpha Delta Phi Hall Wednesday night.

INSTRUMENTAL CLUB TRYOUTS

Leader Pritchett urges all men who play any instrument to turn out for the Instrumental Clubs try-outs in Silliman Hall Wednesday evening at eight o'clock. Much good material is expected to be found in the Freshman Class. Manager Barron is busy making arrangements for a western trip and promises a spring trip which will be the best in years.

GIFT FOR GOLF COURSE

Henry W. Harding, '73, of Clinton has announced to President Ferry that he will give one thousand dollars toward the new nine-hole links which the College intends to construct back of the new athletic field. The movement to enlarge and improve the course was started by J. Platt Underwood, '70, who offered to give two thousand dollars. Elihu Root, '64, then offered to give an additional one thousand dollars. Mr. Harding's gift now brings the total sum to four thousand dollars, which is expected to adequately provide for the laying out of proper grounds and their maintenance.

COLLEGE BULLETIN FOR 1920-21 OUT SOON

Will Contain New Alumni Register Compiled by Field Secretary Mattoon.

The 1920-21 issue of the Hamilton College Bulletin will be on hand next month with the new Alumni Register. As this is the first issue of the Register in two years the changing of addresses has necessitated a great deal of work. Among the features which Mr. Mattoon will have in this issue are the geographical directory and a list of the officers of the various alumni associations. If any of the men of 1920 wish to have their business addresses placed in the book or to have changes made, they may have the same done if they notify Mr. Mattoon immediately.

SOCCER TEAM LOSES TO CLARK MILLS

Buff and Blue Holds Strong Visiting Team to 1-0 Score.

In a fast soccer match played on Steuben Field Saturday afternoon, Clark Mills defeated the Buff and Blue by the score of 1-0. Although this was Hamilton's first game in this sport, the team was in the play every minute. Using neat passwork, the Buff and Blue eleven frequently worked the ball almost to the visitors' goal, only to be sent back by the alert backfield players of Clark Mills. Palmer, Hallock, and Brownell featured for Hamilton, J. Coyne, Wadsworth, and Hemmings for Clark Mills.

Summary:

HAMILTON.	CLARK MILLS.

Prof. Bonham: "What great misfortune happened to this country on September 29th?"

No answer.

Prof. Bonham: "Why, Harding's train was wrecked and he escaped without injury."

French Prof: "What is the difference between 'faim' and 'femme'?"

Bright Soph: "You hold the last one longer."

Paul Coonradt, '20½, denies that he spent several days in a Spanish prison last summer while he was abroad.

Bill Squires: "Burns, define man."

Burns: "Man is a human being, just the opposite of woman."

As it should have been translated: "The priest went up to the well lighted altar."

As it was translated by Flynn: "The priest went up to the altar well lit."

HAMILTON'S FOOTBALL TEAM DEFEATS R. P. I. ELEVEN.

(Continued from page 1.)

Clark went through for sixteen yards. On the next play Clark carried the ball over the line for the second touchdown. Lawler kicked the goal. Play started again with a kick to the twenty-yard line, from which it was brought back seven yards. Fowler intercepted a long pass on the forty-five yard line. A series of line bucks brought first down. On the second play R. P. I. intercepted a pass on her own twenty-five yard line. The rest of the game was a series of short gains and incomplete passes, leaving the ball in play on R. P. I.'s thirty-five yard line.

GENERAL ASSOCIATION RULES

Reprinted from the Constitution of the General Association for Undergraduate Activities.

Article 4—Wearers of the "H"

A—FOOTBALL

1. To win an "H" in football a student must have played in one season; three whole games, or two whole games and parts of two, or one whole game and parts of three, or parts of five games of intercollegiate football.

B—BASEBALL

1. To win an "H" in baseball a pitcher must have pitched one-third of the innings played during that season; any other player must have played one-half of the innings during that season.

C—TRACK

1. To win an "H" in track a student must have won during one season 12 points; or ten points which must include a first place, providing four dual meets were held during the season. A student who breaks a college record in any meet authorized by the Executive Council shall also be entitled to wear the "H".

D—BASKETBALL

1. To win an "H" in basketball a student must have played at least one-half of the games during the season. Parts of two games shall count as one whole game.

E—HOCKEY

1. No "H" shall be awarded in hockey unless six games have been played during the season. To win an "H" a student must have played not less than four whole games and not less than half the games played. Parts of two games shall count as one whole game.

F—THE "H"

1. The "H" shall be a block letter of dimensions, five and one-half by five inches, the uprights and bar to be one inch wide at the narrowest place, and of either buff or blue color. It shall be an exact copy of the original pattern filed in the physical director's office.

G—GENERAL

1. No "H" shall be worn by any member of any college team without a certificate of qualification signed by the captain of the proper department and by the president of the Association. Such certificate shall be given only by the order of the Executive Council on recommendation of the respective captains. No "H" shall be worn by any person not duly qualified.

2. The "H" may be awarded to or withheld from any man or men upon recommendation of the captain of a team, and the president of the Executive Council by a four-fifths vote of the members present at an Executive Council meeting and also by a four-fifths vote of the Association.

H—CLASS NUMERALS

1. Any member of a team who has represented the College in a regularly scheduled intercollegiate contest in football, baseball, track, basketball, hockey, cross country, or tennis is eligible to wear his full class numerals.

2. Any student playing in interclass games is eligible to wear his last two numerals for representing his class in any sport in which the "H" is awarded for intercollegiate competition. In order to receive these numerals, a student shall have played in the same relative number of quarters, halves, or innings, or scored the same number of points as are required in intercollegiate competition in that sport.

GLEE CLUB TRYOUTS

The fall Glee Club try-outs were held last Friday evening in Silliman Hall. A large number of men appeared and Leader Paton found it difficult to make any final decisions on account of the large number of competitors. The new men chosen are as follows.

First Tenors—North, '23, Morris, '23, Vines, '24.

Second Tenors—King, '21, Hallock, '22, Saxe, '23, DeCordova, '24, Magee, '24, Maynard, '24, Sadd, '24, Amman, '24, Riedell, '24, Meehan, '24, Kittel, '24, Moore, '24, Holmes, '24.

First Basses—Wright, '21, Sheldon, '24, Baer, '24, Bates, '24, Hallock, '24.

Second Basses—Morris, '22, R. Miller, '22, Ramsburg, '22, A. Warren, '23.

The Y. M. C. A. Bible Class met Sunday in Silliman Hall. About 30 attended and an interesting discussion was held. It was planned to hold this class each Sunday morning immediately after chapel, and every one is urged to attend.

BUFF AND BLUE FACES HARD GAME

Contest with N. Y. U. Here Saturday Offers Hamilton Eleven Stiff Battle—City Men Have Very Strong Line.

N. Y. U. STAR IS WEINHEIMER

Saturday the Buff and Blue Eleven will meet one of the best teams that it will face this season in the game with New York University on the local gridiron. N. Y. U. will endeavor to make up for last year's defeat at Hamilton's hands. Last fall the Violet was sent home with a 9-0 defeat, and the New Yorkers are determined to take a victory back with them this time. The visitors will outweigh the Buff and Blue warriors when the two teams take the field Saturday, and Coach Prettyman is looking forward to a hard, grueling battle which will prove a severe test for Captain Campbell and his men.

Nothing can be judged by comparative scores, for N. Y. U. has not as yet met either R. P. I. or Alfred University. Columbia beat the New Yorkers by only a few points a week ago and last Saturday they held the strong Wesleyan eleven to a 13-13 tie. The marked feature of this game were the tricky plays and remarkably strong line of the New York team. Weinheimer, who played right halfback for the Violets, was the individueal star of Saturday's contest and will have to be closely watched by the Buff and Blue warriors. His specialty was a criss-cross play and he also showed up well in skirting the opposing ends for gains.

The Buff and Blue showed considerable improvement Saturday over the form displayed in the Alfred game and if the team continues to improve, N. Y. U. will have no easy time when the elevens meet here on the gridiron. Because of the lightness of the Hamilton team, it will probably rely mainly on an aerial style of play. If the weather is rainy, as it was last Saturday, the Buff and Blue will work under a handicap. But with good weather and no injuries Hamilton has a good chance for victory.

N. Y. U. will probably line up as follows: Adams, left end; Bonforte, left tackle; Horrigan, left guard; Brin, center; Quincy, right guard; Pitt, right tackle; Levin, right end; Jackson, quarterback; Sheriffe, left half back; Weinheimer, right half back, and Ryan, fullback.

PRESIDENTIAL STRAW VOTE

The newspapers of the Eastern Intercollegiate Newspaper Association plan to take a presidential straw vote among the students of their respective colleges tomorrow (Wednesday). The vote on the Hill will be taken at noon and the results will be obtained from each crowd by a **Life** reporter. The presidential candidates are as follows: Democrat, Cox; Republican, Harding; Farmer-Labor, Christensen; Socialist, Debs; Prohibition, Watson. The results of the intercollegiate straw vote will be announced Thursday or Friday.

CROSS COUNTRY TEAM WINS 30-26 VICTORY OVER R. P. I.

Hamilton's Cross Country Team won its first meet of the season from R. P. I. Saturday afternoon on the local course. The score was 30-26. This was the team's initial appearance on the field, and the runners did excellent work.

The two teams started during the second quarter of the R. P. I. football game and finished during the intermission between the halves. The full four mile course was run in a pouring rain. Three Hamilton men came in first; Thompson led, with VanHoesen and Doane close behind him. The next five places were taken by the Trojans, while Yates came in ninth. Thompson's time was 23 minutes and 35 seconds, which was very good time over such a course.

Meets have been scheduled with Rochester, Colgate, and Union. After the showing that the Cross Country men made Saturday afternoon, Track Captain Holler, '21, who has been acting as coach, feels confident that the team can make good in these coming meets.

CHARLATANS PLAN CHRISTMAS TRIP

Manager Seaver Has Five Tentative Dates on Schedule—Organization Made a Profit Last Year.

TO GIVE ONE-ACT PLAYS

The Christmas trip of The Charlatans which has been so much discussed during the past few weeks has now become practically assured. Manager Seaver has been working on a schedule and has arrangements under consideration for performances in five towns in the immediate vicinity of New York City. The engagement at Ridgewood for January 1 is secured except for singing the contracts and the others are practically assured.

The tentative list of towns as arranged by Manager Seaver is as follows: Montclair on December 31, Ridgewood on January 1, Jamaica on January 3, Ossining on the afternoon of January 4, and Scarborough on the evening of January 4. The appearance at Ossining will be made in the prison, under the auspices of the Reverend Anthony N. Peterson, '95. He is also in charge of the trip to Scarborough.

It is highly probable that The Charlatans will produce this year three of the one-act plays which they have previously played for their road performances. Difficulty has been encountered in finding a play of the longer type which would be as satisfactory as "Witching Hour," which was produced last season. The plays used will probably include "Food," which was produced at Commencement last June, and Dunsany's "A Night at an Inn."

The Manager's report shows that The Charlatans have not used any of the money apportioned to them but instead have made a small profit. The amount of $1079.83 was apportioned for last season to The Charlatans and the receipts amounted to $1161.85. It is hoped that in a few years The Charlatans will be a source of considerable revenue to the Undergraduate Association.

—Walter J. Keane, '20, is now with the Felters Co. of Johnson City.

—Frederick M. Calder, '82, was recently nominated for Supreme Court Judge on the Republican ticket.

—Everybody at Union Nov. 20.

PRESS BOARD GETS PUBLICITY

Organization Has Large Staff of Undergraduate Correspondents—Is Achieving Good Results.

MORE MEN NEEDED

The Press Board this year has more men writing for it than it has had in the past number of years and the results are very encouraging. The men are still working under handicaps which will be lightened when the Board secures a room on the Campus where it can have an office with some equipment. This has been shown to be absolutely necessary in the past few weeks when the men have been scattered while writing football articles immediately after the games. Reports of the games have been sent out every week to about a dozen of the leading papers in the East. The Utica Telegram, for which Hyde, '21, is writing, has probably carried the most news. The other Utica papers are served by Gapp, '21, Oby, '23, and Saxe, '23, who write for the Utica Press, Herald-Dispatch, and Observer respectively. Wynkoop, '21, covers the Syracuse Post-Standard, and Mulford, '22, the Syracuse Herald. Reed, '23, covers both the Rochester Herald and the Democrat and Chronicle.

Throop, '21, writes for the Springfield Republican, Farrand, '22, for the New York Tribune, Edie, '21, for the Buffalo Express, Parker, '21, for the Binghamton Sun, Rodgers, '21, for the Binghamton Press, Chrestien, '22, for the Rome Sentinel, Harper, '21, for the Albany Knickerbocker Press, Ballot, '21, for the Brooklyn Times and New York Globe, Seaver, '21, for the New York Times and the Brooklyn Daily Eagle.

All men who are interested in this work and who wish to earn a little money and at the same time help Hamilton should see Seaver, '21, at once. There are many papers looking for correspondents and the Board needs about seven more men in order to carry on its work successfully.

—Samuel Budd Cairns, '20, is studying mining engineering in the University of Wisconsin.

—Oscar W. Kuolt, '07, has again been chosen coach for the University of Rochester basket ball team.

—Everybody at Union Nov. 20.

CONTRACT SIGNED FOR 1922 ANNUAL

Printing, Engraving, and Binding to be Done by Buffalo Firm—Book to be Larger Than Last Year's Hamiltonian.

BOARD BEGINS WORK

The Editorial Board of the 1922 Hamiltonian has started work upon this year's book. Manager Martin has given the contract for the printing, engraving, and binding of the book to the Baker, Jones, Hausauer Co. of Buffalo. Although the work of this concern is a trifle more costly than the work of several other concerns, as shown by their bids, nevertheless good quality in the finished production is assured.

The specifications in the contract call for a book of different shape from the 1921 Hamiltonian. The 1922 yearbook will be about an inch longer than was last year's book.

The cover is to be of semi-flexible imitation leather. The book will be printed on a fine quality of enamelled paper that takes the impression of both type and plates very well. The total number of pages will probably exceed the number in last year's book. This fact, together with the increased weight and thickness of the paper, will cause the finished book to be about three-quarters of an inch thicker than the 1921 edition.

A meeting of the Board was held some time ago to discuss policies and propose changes in the composition of the book. One suggestion brought forth hearty approval. It was suggested that in addition to the usual stereotyped material, that there be a section devoted to slams, scandal, wit, and humor. The editors plan to fill about twenty or thirty pages with this sort of material, and with this in view they solicit the undergraduates of all classes for appropriate copy for such a section. For some time there has been a semi-subdued agitation for a humorous publication. The proposed humorous department of the 1922 Hamiltonian will afford an opportunity for all devotees of the comic muse to show their ability, and furthermore this will be a demonstration that will once and for the present generation settle the question of whether or not there is sufficient ability in the College to make possible a separate publication of a humorous character.
